Mr. HELMICK, from the Committee on the Post Office and Post Roads,  
made the following

## REPORT.

*The Committee on the Post Office and Post Roads, having had the petition of Lorenzo P. Sanger, for himself and the executors of John Frink, deceased, under consideration, ask leave to report:*

That having examined all the papers and documents which were presented to the committee, and having become satisfied that the aforesaid Frink and Sanger were fined unjustly and unnecessarily by the Postmaster General from the year 1850 to 1854, and being satisfied that a portion of said fines should be remitted to the said Sanger and the heirs of the said Frink, and not being able to designate or determine the exact amount of fines that should be remitted, as the papers relating to the case are very numerous; but, in order to render justice to the parties, your committee recommend that a bill be passed for the relief of the petitioners, which is herewith submitted.
